Capacity Assessment

Organisational Capacity Assessment (OCA) is a systematic process to identify the current capacity of an organisation. Assessment results can indicate areas of strength and weakness, and allows organisations to step back and take stock of where they are in their development. HKU-HKJC ExCEL3 and the Department of Social Work and Social Administration of HKU have developed the tool and will work with some NGOs to assess their capacity and make recommendations. CSR Project

A pilot study on Corporate Social Responsibility (CSR) and related CSR best practices in Hong Kong jointly conducted by The Hong Kong Council of Social Service and the HKU-HKJC ExCEL3 has been completed. The aim of the Project is to investigate the current level of CSR performance, thereby setting a benchmark for Hong Kong, of a sample of publicly listed companies that are part of the HKCSS Caring Company Scheme. An executive summary of the Project.....[Read More](#)
