

**Rodger Woods**

Board Committee

Regent College Marketplace Institute

Rodger Woods is a retired architect. He is a graduate of the University of British Columbia in math and physics as well as architecture. After a career in city planning, Rodger settled into his own private architectural practice based in Calgary, Alberta. Immediately after the revolutions in Eastern Europe he helped found Integra, an NGO based in Slovakia which carried out micro banking and poverty alleviation programs in several countries in Eastern Europe as well as Russia and in Africa. Rodger has four adult children, five grandchildren and has been married to Carol for 47 years.
