[CEO 勝任能力與 NGO 之挑戰](#)

[26 November 2013, Tuesday](#)

Introduction

After decades of flourishing development of social service in Hong Kong, the social service sector has been undergoing a change of leadership because of the retirement of many experienced and entrepreneurial NGO professionals. Being mindful of this background, **HKCSS** and **HKU-HKJC Excellence in Capacity-building on Entrepreneurship and Leadership for the Third-sector Project** (HKU-HKJC ExCEL3 Project) have jointly conducted a study on CEO competencies, so as to contribute to the sector's capacity building and sustainability.

We shall be organizing the captioned seminar to share the result of our study. In the seminar, 12 identified core competencies will be released and the NGO challenges will also be discussed. In addition, there will be case-sharing, and exchanges with NGO leaders regarding challenges we are all facing in the field.
