

Developing the Strategic Awareness and Fluent Attention of the Brilliant Presenter for NGO Leader

Have you ever felt you wanted your presentations to be more spellbinding? Have you thought about acquiring a more magnetic delivery? Have you ever worked your voice with a master of presentation? Now is your chance to be enthralled, by creating your own magic, and allowing each of your presentations to be truly multi-faceted, inspirational acts of interest and courage. Mr Stewart Pearce will lead you through a unique session, whereby you will create the skill and flair of a keynote personality. So if you have ever wondered how great speakers become great, you are encouraged to participate in this workshop.
