

Esther Lee

General Manager – Leadership Development, (Fung Academy) - Fung (1937) Management Limited

Esther Lee joined the Fung Group in June 2013 and is responsible for the management of the Leadership Development programs for senior executives, partnering with Stanford University and Boston MIT. Esther is a dynamic and result-oriented HR business partner with over 20 years of experience working closely with senior leadership teams. She has proven track records in establishing and driving successful HR initiatives in alignment with corporations' business strategy in the Asia Pacific and Global platform. She is a firm advocate of effective leadership in people development and organization greatness to unleash the human's potential to help corporation grow, prosper and contribute to the society.

Prior to joining the Fung Group, Esther possesses diverse and valuable exposure with multi-national corporations ranging from Manufacturing and Distribution, Information Technology, Luxury Goods Retail to Hospitality industries. She enjoys working within a multi-cultural, multi-lingual, competitive and challenging environment.

Esther is an active member of the Hong Kong Institute of Human Resources Management and Toastmasters International, a qualified and accredited administrator of the Myers-Briggs Type Indicator (MBTI) suite of instruments and a certified facilitator in Franklin Covey's total solution.

In her 20-year association with Toastmasters International, she was the first Distinguished Toastmaster (DTM) in Hong Kong in the 90s and led the Hong Kong Achievers Toastmasters Club to be the first Select Distinguished Club in Hong Kong. Under her leadership as Division Governor in 2011-2012, Division H was named the President's Distinguished Division

In her leisure time, she pursues the 100km Oxfam Trailwalker challenge for the third year and won the Outstanding Fundraiser Award for raising more than HK\$250K consecutively for three years. She will attempt her second Full Marathon in January 2015 and first Marathon Des Sables (250Km in Sahara Desert) in Morocco in April. She enjoys a great work life balance with purpose.
