

**Mr Timothy Ma**

Executive Director

Project Flame, The City University of Hong Kong

Timothy Ma currently serves as the Executive Director of Project Flame: Social Innovation & Entrepreneurship at The City University of Hong Kong. The project focuses on incubating innovative initiative in the university to expand and develop more students to have experience and exposure on social enterprise. In addition, Mr Ma is the founding executive director of the Senior Citizen Home Safety Association and founding member of the Social Entrepreneurship Forum. Mr Ma is the Vice-President of the General Chamber of Social Enterprise and has also served as an expert advisor on the Ageing Panel at the Global Agenda Councils (World Economic Forum) since 2012. In recognition of his contributions to the community, Mr Ma was awarded the Outstanding Social Entrepreneur (East Asia) prize in 2009 by the SCHWAB Foundation.
