

Dr Philip Beh

Forensic Medical Specialist, Clinical Associate Professor
Department of Pathology, HKU

Biography

Dr Philip S L Beh graduated from the Faculty of Medicine at the University of Hong Kong in 1981. He has worked in the area of forensic medicine ever since. He is currently a Clinical Associate Professor at the Department of Pathology, The University of Hong Kong. He helps in the understanding of causation of injuries and causes of death. He is frequently involved in the review of cases involving death from accidents, suicides and homicides involving victims in Hong Kong but occasionally those from other countries.

He works with many professional bodies including the International Committee of the Red Cross and United Nations Office on Drugs and Crime. He is an Honorary Advisor to Rain-Lily, Hong Kong's first multidisciplinary rape crisis center. He is a current Vice-President of INPALMS (Indo Pacific Association of Law, Medicine and Sciences). He is a Member of the Child Fatality Review Board for the Social Welfare Department, HKSAR Government. He is Chief Examiner in Forensic Pathology for The Hong Kong College of Pathologists. He was the External Examiner for the MD in Forensic Medicine offered by The Postgraduate Institute of Medicine of The University of Colombo, Sri Lanka.
