Activities:

- Easter Egg Hunt

Download the app 'Easter Egg Hunt@HKU' to hunt Easter eggs on G/F of the HKU Centennial Campus. By clicking on the screen, you can hunt the Easter eggs and/or take photos with them. When stars of different colours are collected, you can redeem a prize at the reception.

Easter Egg Hunt@HKU

App Store (IOS):

Google Play (Andriod/APK):

In addition, there are colorful Easter eggs to be found on the grass and in the maze, don't miss it!

- Draw the Future

Use your imagination to decorate the red brick pavement in the Centennial campus with different colors of chalk, together to co-create a mega masterpiece with four themes: 'Nature', 'HKU', 'Community' and 'Universe'.

- Photo with Dino

Go back to the Jurassic period through 3D animation technology! Together with your family, you can take a photograph with dinosaurs and collect the photo on the spot.

- The Starry HKU

Scan the QR code on your colour drawings – whether it is a small animal or a cartoon Easter egg – they will become alive on our large screen. Find your own work on the screen and take a photo with it. Besides, you may create your own unique colourful Easter eggs.
