

Professor Yves Sintomer

Senior Fellow, Institut Universitaire de France
Professor of Political Science, Paris 8 University

Biography

Professor Yves Sintomer is Senior Fellow at the Institut Universitaire de France and Professor of Political Science at Paris 8 University. He is an associate faculty at Sciences Po Paris, Universidad del País Vasco (Spain), Neuchâtel and Lausanne Universities (Switzerland), and Marc Bloch Centre (Humboldt University Berlin/CNRS). He received his PhD in political and social sciences (European University Institute, Florence) and has a Habilitation to supervise research (Paris 5 University). He has also been invited scholar or professor in various universities: Harvard, University College London, Tsinghua University (Beijing), Institut für Sozialforschung (Frankfurt, Germany), Goethe University Frankfurt (Germany), Complutense-Madrid, UCL (Belgian), Catania (Italy). He has been deputy-director of the Marc Bloch Center (Berlin), director of the department of political science at Paris 8 university, and member of the Council of this university.

He collaborates with various French and international journals. His main research topics include participatory and deliberative democracy; French and German political sociology; the history and contemporary transformation of political representation; and a global comparison of politics in France, Germany, Brazil, India and China.

Professor Sintomer writings have been published in 18 languages. He is author among others of *Participatory Budgeting in Europe; Democracy and Public Governance* (with C. Herzberg and A. Röcke), Ashgate, London (in press); *Deliberation: values, processes, institutions* (with S. Coleman and A. Przybylska), Peter Lang, Varsaw, 2016; *Local participation in Southern Europe: Causes, Characteristics and Consequences* (with J. Font and D. della Porta), Rowman & Littlefield, Washington D.C., 2014; *Participatory Budgeting in Asia and Europe. Key Challenges of Participation* (with R. Traub-Merz and J. Zhang), Palgrave, Houndmills, Basingstoke/New York, 2013; *Participatory Budgeting Worldwide* (with C. Herzberg and G. Allegretti), Engagement Global, Bonn, 2013; *The Porto Alegre Experiment: Learning Lessons for a Better Democracy*, Zed Books, New York, 2004; *Petite histoire de l'expérimentation démocratique. Tirage au sort et politique d'Athènes à nos jours*, La Découverte, Paris, 2011; *La démocratie impossible? Politique et modernité chez Weber et Habermas*, La Découverte, Paris, 1999. He is also presently editing a new French translation of Max Weber's *Economy and society*.
