Dr Cheryl Chui
Department of Social Work and Social Administration

Biography
Dr Cheryl Chui is an Assistant Professor in the Department of Social Work and Social Administration at The University of Hong Kong. She is a researcher and registered social worker with an interdisciplinary background in International Development Studies. She is also co-investigator to several external competitive grants and government-commissioned projects, and actively publishes in international peer-reviewed journals.

Dr Chui’s professional and research experience focused on the intersection between social policies, third sector, and the well-being of vulnerable population groups. Collaborating closely with local and international nonprofits, she emphasizes community-level, and empowerment-based cross-sector responses to social challenges. Her current research focuses on social entrepreneurship and social enterprise development, social inclusion and age-friendly cities.
