

Dr Masato Kajimoto

Journalism and Media Studies Centre

Biography

Dr Masato Kajimoto is an Assistant Professor of Practice in the Journalism and Media Studies Centre at The University of Hong Kong. He has been leading JMSC's news literacy initiative and also an international collaboration among media educators and journalists in Asia to develop pedagogical methods and teaching materials that take into account the culture, media landscapes, and political climates in different countries. Before beginning a career in teaching and research, he worked as an online reporter and "Specials" editor (web producer) for CNN.

Dr Kajimoto specializes in news literacy education and misinformation ecosystem research in Asia. As a professional journalist, he has written news articles, features and columns in English and in Japanese. As a journalism educator, he has supervised many online projects integrating broadcast and internet technologies.
