About the JC-WISE Project

• Jockey Club Water Initiative on Sustainability and Engagement (JC-WISE)
• Funded by the Hong Kong Jockey Club Charities Trust
• Hosted by the Faculty of Social Sciences, HKU
• Aims to raise the public’s awareness, and appreciation, of the importance of attaining long-term water sustainability for Hong Kong
About the JC-WISE Project

1. Re-connecting the public with our rivers – enhance the understanding of the multiple values of water

2. Water Footprint concept – recognising the impacts of consumption behavior on freshwater resources
“My River, My Community” Scheme

- Consists of professionally designed and guided field trips
- **Train-the-trainer programme**: The Project team trains the trainers to take students and the general public on guided river tours and to reconnect them with our city’s rivers.
- **GIS-based database**: Rivers@HK
