After you obtain your HKU Portal account details, you should immediately login to http://hkportal.hku.hk, click “Self-Service” under “MyPage”, then click “Master Registration” to complete your online Master Registration. If you do not complete online Master Registration, your Student Registration Card cannot be issued and you cannot enroll on any course.

2. There are 6 pages in the Master Registration form. Pages 1 to 5 are for data input. Page 6 is the confirmation page. After completing each page, press “Save & Next” to go to the next page. When you have reviewed the information on Page 6, press “Submit” to confirm the data you have entered. After pressing the “Submit” button, you will see an acknowledgement page. Logout from the system and close all the browser windows.

If you have not yet received your HKID Card (not even a temporary one), please use this dummy code to fill in this field: KK0000000(X).
