

**New Students Health Orientation 2019
Information Sheet**

Dear New Students,

Welcome to the University of Hong Kong!

As you belong to the high occupational risk group, you are advised to have BCG and MMR Vaccinations if not done previously.

Please visit New Student Health Orientation 2019-2020 website
<http://www.uhs.hku.hk/he/orientation2019/> for the followings:

1. VACCINATION PROGRAMME INFORMATION

Please read the following information and contact the Health Education Unit of University Health Service on 3917-2514 for arrangement/ enquiries accordingly **if required**.

- Tuberculin Skin Test and BCG Vaccination
- MMR Vaccination

2. GENERAL INFORMATION

You are recommended to **watch the video on the website** to get the general information of UHS services and vaccination.

If you fulfill the BCG and MMR Vaccination requirement (please refer to the information of respective vaccination programmes for details), you are **EXEMPTED** from the above vaccination programmes.

Thank you for your attention.
