

THE UNIVERSITY OF HONG KONG
FACULTY OF SOCIAL SCIENCES

To: All New Master of Journalism students

Notes for New Students

I am pleased to welcome you to the Faculty of Social Sciences. I hope you will find the upcoming years at HKU both intellectually stimulating and academically rewarding.

You are required to complete the master registration online on your admission to the University. The computer account details to facilitate your master registration has been posted to your correspondence address and the set of application documents and materials have been uploaded to the Faculty's website at <http://www.socsc.hku.hk/TPg/masterreg> for your reference and necessary action. You are advised to read through the documents and follow the submission due dates of the documents to the Faculty Office and other offices concerned.

Registration Procedures and Documents

To ensure timely processing of your registration, you are required to complete the online master registration at <https://hkuportal.hku.hk/login.html> by using your computer account login provided and follow all the procedures laid down on "Registration Procedures for Taught Postgraduate First-year Students" (document SS62/720). Failure to complete the registration online and/or to submit the relevant documents by the stipulated deadlines may result in non-issuance of your Student Registration Card.

For non-local students only

According to the Hong Kong Immigration Department, all visitors who do not have a right of abode in Hong Kong are required to apply for a student visa for study. Pursuing study without a valid visa is a breach of the law. Non-local students are therefore required to submit copies of their student visas, passports (the page with the holder's personal particulars and photograph), and HKID cards (if applicable) for processing the Student Registration Card (either on-line or in person or by post). If you have not yet submitted the required documents for any reasons, you should bring hardcopies together with the original documents when you collect your Student Registration Card. Failure to do so shall result in non-issuance of the Student Registration Card.

Technology Fee

All Master of Journalism students are required to pay an amount of HK\$1,200 for the technology fee. The fee has to be settled via Automatic Teller Machine (ATM) or Internet Banking by September 30, 2020. The Payment Instructions for Technology Fee will be provided by the Journalism and Media Studies Centre.

Regulations and Syllabuses

When you read through all the details concerning registration, University regulations and so on, the next and most important thing you have to do is to choose courses you wish to study in the coming year. On-line regulations and syllabuses can be found at <http://www.socsc.hku.hk> → Teaching & Learning → Taught Postgraduate → Academic Matters → Regulations and Syllabuses.
