Brief Biography

Ms Yiu graduated from The Chinese University of Hong Kong in 2007 with a Bachelor of Social Science degree in Geography and Resource Management. She completed the Postgraduate Diploma in Education Programme in 2008, majoring in secondary school Geography education. After joining The Kadoorie Institute in 2009, she has been involved in a number of research and consultancy projects on public engagement, sustainable development and education for sustainable development. She completed the Degree of Master of Philosophy in Social Sciences at The University of Hong Kong in 2015. She is now mainly responsible for coordinating the collection of oral history and providing secondary school teacher and student training programmes for a rural community revitalization project.
