

THE UNIVERSITY OF HONG KONG
FACULTY OF SOCIAL SCIENCES

Policy for Sustainability Lab Forum Series:
Social Innovation for Sustainability

Programme

Date: Wednesday November 16, 2016

Time: 17:30 – 19:00

Venue: Social Sciences Chamber, 11/F, The Jockey Club Tower, Centennial Campus, HKU

Social innovation pertains to new forms of collective action and partnership leading to systemic enhancement and policy change for sustainability. This forum showcases some of the latest examples of social innovation in urban regeneration and revitalisation in Hong Kong which develop, and draw upon, social capital embedded in communities to foster sustainable development.
