

Consultation Sessions : CV Clinic and Mock Interviews

If you have identified jobs that you would like to apply and need specific help with your CV and interview, please join our consultation sessions with your CV and job descriptions. The Experiential Learning Team will be ready online to provide a one-on-one session for students/fresh graduates to seek tailor-made advice on their application process and/or to conduct a mock interview for their targeted job. You will be benefited more if you can bring along a draft CV and job advertisement of the targeted post for more specific advice.

Dates

July ~~13~~, ~~15~~, ~~17~~, ~~20~~,
~~22~~ and 24, 2020

LAST session, take action!
