Dear Students,

We are writing to remind you that to satisfy the English language enhancement requirement, you need to take one of the following English-in-the-Discipline courses:

CAES9921 Great Speeches: Rhetoric and Delivery : a second-year course offered in the first semester

CAES9922 Language, Genre and Reports: a second-year course offered in the first semester

CAES9923 Writing Psychology: Text and Context: a second-year course offered in the second semester

CAES9930 Research Writing in the Social Sciences: a third-year course offered in the second semester

You need to select a class during the course enrollment period (i.e. August 7 (2:00pm) (for Year-2 students)/ August 7 (12:00nn) (for Year-3 students) – August 13 (4:00pm), 2019). Starting from August 8, 2019 (9:00am), the SIS system will approve students by auto-balloting. You have to check your class selection result soon after the suspension period (i.e. August 8, 2019 (2:30pm)) and if you are not approved in taking the class you have selected, you should choose another available class in SIS until you are given a place in a class.

You can change your class freely during the add/drop period, but you should check your class selection result periodically. You are required to attend lessons in the original CAES class until your request for change of groups has been approved.

Thank you.

Yours sincerely,

Dr. Michelle Raquel
