

Mr Malcolm Farley
Principal Consultant
Malcolm Farley Associates

Biography

Malcolm is a chartered engineer (CEng), a chartered environmentalist (CEnv), a Fellow of CIWEM (FCIWEM) and a Chartered Water and Environment Manager (C.WEM). He has 50 years experience of working with water supply and distribution networks worldwide. Malcolm worked for the UK Water Research Centre (WRc) for 25 years, leaving WRc in 1994 to form his own consultancy, Malcolm Farley Associates. Since then he has worked on many non-revenue water (NRW) reduction projects with partner associates worldwide.
