

**Dr Xiaoqing Hu**

Department of Psychology  
The University of Hong Kong

**Biography**

Dr Xiaoqing Hu is Assistant Professor in the Department of Psychology at The University of Hong Kong (HKU). He is a Principal Investigator in the State Key Laboratory of Brain and Cognitive Sciences at HKU. Dr Hu's lab focuses on the relationship between sleep, memory, emotion and social decision making, particularly how to modulate memories during sleep. His lab mainly uses EEGs and behavioral measures to tackle these questions.

Dr Hu's research interests are sleep, memory control and motivated forgetting, evaluative learning, implicit social cognition and social decision making.
