

**Professor Changsong Zhou**

Department of Physics  
Hong Kong Baptist University

**Biography**

Professor Changsong Zhou is Head and Professor in the Department of Physics at the Hong Kong Baptist University. He also serves as Director of the Centre for Nonlinear Studies and Deputy Director of the Institute of Computational and Theoretical Studies.

Professor Zhou's current research interests include complex neural dynamics and neural information processing, analysis and modeling of large-scale brain networks, structure-function relationship of brain cortical networks and collective dynamics of complex networks.
