

Professor Pim Cuijpers

Department of Clinical, Neuro and Developmental Psychology
Vrije Universiteit Amsterdam

Biography

Professor Pim Cuijpers is Professor of Clinical Psychology in the Department of Clinical, Neuro and Developmental Psychology at the Vrije Universiteit Amsterdam, The Netherlands and Director of the WHO Collaborating Centre for Research and Dissemination of Psychological Interventions in Amsterdam.

Professor Cuijpers is specialised in conducting randomised controlled trials and meta-analyses on prevention and psychological treatments of common mental disorders across the life span. Much of his work is aimed at prevention of mental disorders, psychological treatments of depression and anxiety disorders, and internet-delivered treatments.

He has also published on several other research topics, including global mental health, student mental health, and psycho-oncology. Professor Cuijpers has published more than 1,100 peer-reviewed papers, chapters, reports and professional publications, including more than 870 papers in international peer-reviewed scientific journals. He is on the Thomson-Reuter Web of Science lists of 'Highly Cited Researchers' since the first edition of this list in 2014, and is the second most cited researcher in the field of psychiatry and psychology worldwide. Since January 1, 2022, he is Incoming Editor-in-Chief of the *Journal of Consulting and Clinical Psychology*.
