

Dr Frances Jin

Assistant Professor

Department of Psychology

Principal Investigator

State Key Laboratory of Brain and Cognitive Sciences

The University of Hong Kong

Biography

Dr Frances Jin is an Assistant Professor at the Department of Psychology of The University of Hong Kong (HKU), and a Principal Investigator of the State Key Laboratory of Brain and Cognitive Sciences at HKU.

She received her PhD in Clinical Psychology from SUNY-Stony Brook University and is a New York State licensed clinical psychologist. Her research program targets the intersection between emotion and cognition, investigating the psychological and neural mechanisms of emotion processing, emotion-related decision-making and related mental health issues. She uses behavioural experiments, neuroimaging and computational tools to study the relevant topics. Her work has been published in journals such as *Journal of Neuroscience*, *Biological Psychiatry: Cognitive Neuroscience and Neuroimaging* and *Journal of Psychopathology and Clinical Science*.
