

**Professor Juan Chen**

Department of Applied Social Sciences  
The Hong Kong Polytechnic University

**Biography**

Professor Juan Chen is a Professor in the Department of Applied Social Sciences of the Hong Kong Polytechnic University. She received her BA and MA (in Political Science) from Peking University, and Master of Social Work and PhD (in Social Work and Political Science) from the University of Michigan.

Professor Chen's research centers on migration and urbanization, health and mental health, and help seeking and service use. The key issues she addresses are the ways in which structural disadvantages contribute to individual disparities and the means by which such disadvantages can be eliminated through policy and practice interventions. Her works have been published in leading journals including *Social Science and Medicine*, *International Journal of Environmental Research and Public Health*, *International Journal of Qualitative Studies on Health and Well-being*, and *Health and Social Care in the Community*.
