

THE UNIVERSITY OF HONG KONG
FACULTY OF SOCIAL SCIENCES

Courses offered to Exchange/Visiting Students in the 2021-2022 Academic Year

Important Notes:

1. *The course list is for reference only. Actual enrolment is subject to the availability of courses, quota and class schedule. The information could be changed without prior notice.*
2. *For course details, please refer to the websites of the offering departments. For courses offered by other faculties, you are required to check with the course offering department directly about your eligibility of taking the course.*
3. *For courses with an asterisk (*), an approval from the offering departments is required as the offering departments have to check (a) whether the students have fulfilled the pre-requisite and/or (b) the availability of course quota. The successful course enrollment record will be shown on the Student Information System (SIS) upon the approval from the department.*
4. *Students who wish to take the following courses are required to send an email to the course offering department for approval two weeks before the course enrollment period. Upon approval, the students should forward the approval email to the Faculty Office via email (socii@hku.hk) and the Faculty Office will enroll the course for you.*

Course Code	Course offering department	Email
PSYC2072	Department of Psychology	ugpsyc@hku.hk
PSYC2073		
SOCI3069	Department of Sociology	sociug@hku.hk

5. *Social Sciences students are required to enroll at least 50% of courses offered by our Faculty; otherwise, you are required to transfer to another Faculty.*
6. *The normal credit load at HKU is 30 credits (i.e. 5 courses because each HKU course carries 6 credits) per semester. The minimum and maximum load are 24 credits and 36 credits respectively.*
7. *Should students encounter any difficulties in course enrollment, please contact the Faculty Office at socii@hku.hk.*

Department of Geography (<https://geog.hku.hk/>)

Course Code	Course Title	Offering Semester
GEOG2004	Atmospheric environment and global climate	I
