2. University requirements include a 6-credit of English in the Discipline course, two 6-credit courses in Common Core Curriculum in two different Areas of Inquiry, and a non-credit-bearing online course UG5E1001.
3. Psychology major students without PSYC1001 exemption are required to take 72 credits for the disciplinary major, and are only required to take 30 credits of free electives at advanced level to fulfil the graduation requirements.
4. Psychology students who plan to conduct independent empirical research in the final year are advised to take PSYC1004 in Semester 1 and PSYC2060 in Semester 2 in Year 3.
5. Students opting for a minor under Faculty of Social Sciences (FoSS) are required to make up the 6-credit introductory course by taking a 6-credit advanced disciplinary elective of your declared minor in lieu (i.e., a total of 36 credits advanced courses).
6. Students opting for a minor under non-FoSS are required to take courses based on the individual programme requirements. As a result, the credits of the introductory course(s) requested by your minor programme should be counted on top of 120 credits. In other words, students may need to take more than 120 credits to fulfil both of your disciplinary major and minor programme requirements, but not more than 144 credits.
