

Getting to the Conference

From the Airport – Airport Express

1. When you arrive at Hong Kong International Airport, the easiest way to get to the city is with the Airport Express train, which you can catch from the arrival terminal. If your hotel is on Hong Kong Island (the location of HKU and all designated conference hotels), catch the train until the last stop (labelled "Hong Kong"). At Hong Kong station, follow the sign in the MTR station to walk to Central (Island Line) or catch a taxi to your hotel.
2. You can buy a ticket for the train from an attendant in the arrivals hall. We recommend purchasing an "Octopus" card, which is a stored value card that you can use with all forms of public transport (except taxis). When you leave Hong Kong you can return the card and receive a refund for the unused balance.
