

How do iOS users download a sticker pack in **Signal** for usage?

Option 1

(1)

Visit the “Stickers for Instant Messaging” webpage at www.jcpanda.hk/stickers/en with a mobile phone.

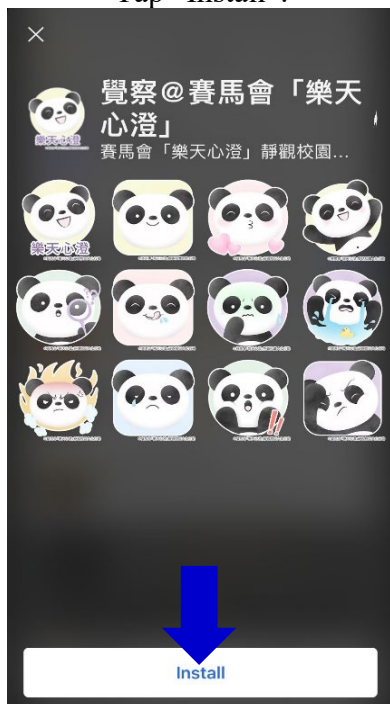

(2)

For **Signal**, tap the “Download” button on the **right** column.

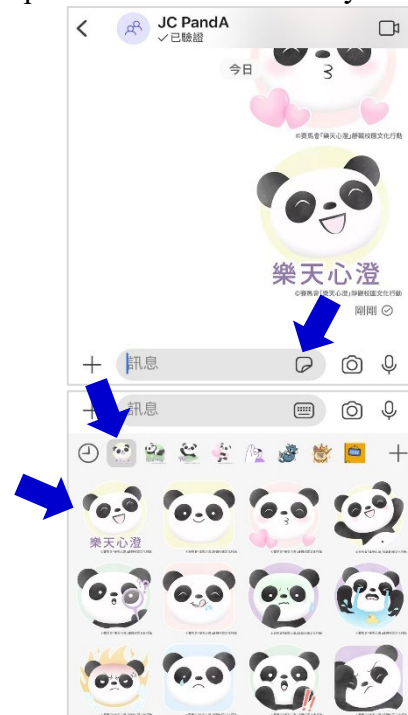

(3)

Below will be displayed on the screen. Tap “Install”.

(4)

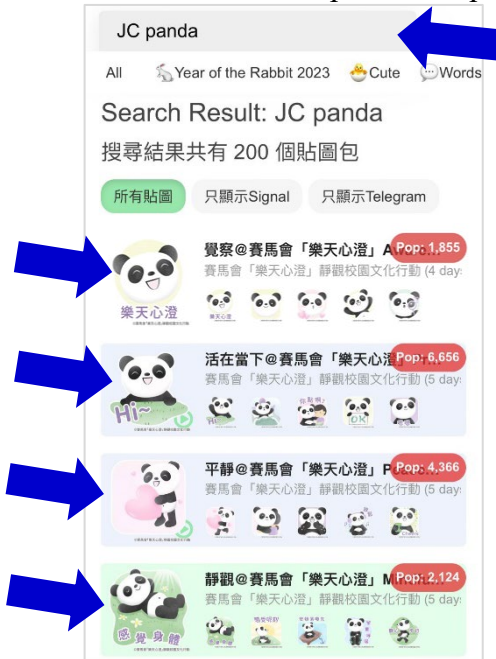

Tap  to open the downloaded sticker packs. Tap a sticker and send it to your friend.

Option 2

(1)

Visit “WhatSticker” at <https://whatsticker.online>.
Search “JC Panda”. Tap a sticker pack.

(2)

Slide upward.
Tap “Add to Signal”.

(3)

Below will be displayed on the screen.
Tap “Install”.

(4)

Tap  to open the downloaded sticker packs.
Tap a sticker and send it to your friend.
