

THE UNIVERSITY OF HONG KONG
FACULTY OF SOCIAL SCIENCES

HKU Social Sciences Summer Programme 2018

The Gorgeous 5-“Gs”

River Tour to Lam Tsuen River

Date: Tuesday, July 17, 2018

Time: 1:30 pm – 5:00 pm

Group A

Time	Programme
1:30 pm	Meet at Haking Wong Podium, HKU
	<p>River Tour to Lam Tsuen River</p> <p>Site C: Tai Po Tau Shui Wai (大埔頭水圍): A pilot study area for ecological restoration has been established by the Drainage Services Department at a river section near Tai Po Tau Shui Wai, in which participants can gain understanding about the new directions of river channel management in Hong Kong.</p> <p>Site B2: Chuen Pei Lung (川背龍): A fish ladder has been constructed by the Drainage Services Department in Chuen Pei Lung to allow river organisms to swim upstream. Participants can learn about the ecological impacts brought by the fish ladder.</p> <p>Site B1: Fong Ma Po (放馬莆): A variety of green and eco-friendly channel designs can be found at the river section at Fong Ma Po. Participants can gain understanding about the riverscape changes brought by these designs.</p> <p>Site A: Chai Kek (寨洩): Chai Kek is located at the upper course of Lam Tsuen River, where the characteristics of natural streams are still retained. Participants can learn about the ecological functions of rivers there.</p>
5:00 pm	Programme ends

Group B

Time	Programme
1:30 pm	Meet at Haking Wong Podium, HKU
	<p>River Tour to Lam Tsuen River</p> <p>Site A: Chai Kek (寨𨵿): Chai Kek is located at the upper course of Lam Tsuen River, where the characteristics of natural streams are still retained. Participants can learn about the ecological functions of rivers there.</p> <p>Site B1: Fong Ma Po (放馬莆): A variety of green and eco-friendly channel designs can be found at the river section at Fong Ma Po.
