Recovery-oriented Care in Undergraduate Curriculum

Dr. Roderick McKay

Director Psychiatry and Mental Health Programs – Mental Health
Health Education and Training Institute, Australia

Biography

Dr Roderick McKay is a psychiatrist who specializes in working with older people and in postgraduate education. He has a passion for bridging the gaps that can emerge between mental health professionals, consumers and carers. Beyond his primary role, he is Chair of the Royal Australian and New Zealand College of Psychiatrists Community Collaboration Committee, Clinical Advisor in Older Peoples' Mental Health within the NSW Ministry of Health, Chair of the Australian National Mental Health Information Development Expert Advisory Panel and member of the NSW Mental Health Commission Community Advisory Committee.
