Peer Support Services: Emerging Evidence and Cross-sector Collaborations

Ms. Lei-Hung Chan

Peer Specialist

Castle Peak Hospital

Biography

Chan Lei Hung is the first full-time peer support worker employed by Hospital Authority in 2011. She works with multi-disciplinary case managers in the Community Psychiatric Service of Castle Peak Hospital to provide a person-centered and recovery-oriented service. Through sharing her personal recovery journey from bipolar disorder, she aims to instill hope to her peers that recovery from mental illness is possible as well as to fight against public stigma towards people with mental illness.
