Global Citizenship

Is it OK to fulfill GC requirement via HKUWW or Faculty-level exchange?

Yes, but you have to apply for credit transfer with two HKU-equivalent advanced level courses (course level determined by HKU, not the host institute) for GC requirement.
When you return to HK

The official transcript issued by the host institute is required in order to complete the credit transfer process and the transcript shall be sent by the host institute to HKU 1 to 2 month(s) after your exchange studies. Only the credits of successfully completed courses at the host institute can be transferred to HKU.

The host institute will send the transcripts to the organizers of exchange programmes (e.g. IAO) and the transcripts will be forwarded to the Faculty Office for credit transfer. If you have received an official transcript directly from the host institute, please submit it to the Faculty Office to facilitate the credit transfer process.

However, if you wish to obtain a copy of transcript for your good self, you should apply it from the host institute direct.
You can check and confirm your result of credit transfer on OES after exchange upon receipt of the notification email from the Faculty Office.
