

## **Biography**

**Dr. LEUNG Siu-fai**

**Director of Agriculture, Fisheries and Conservation**

Dr. LEUNG Siu-fai obtained his Bachelor of Science Degree in Zoology from The University of Hong Kong in 1986. With keen interest in marine biology and ecology, he pursued his Doctor of Philosophy Degree in Marine Biology at the same university from 1986 to 1991. After completing his postgraduate study, Dr. Leung started to develop his career by joining the Government as a Fisheries Officer in the Agriculture, Fisheries and Conservation Department in 1991. He was promoted to Senior Fisheries Officer in 1998, to Assistant Director of Agriculture, Fisheries and Conservation in 2005 and to Deputy Director of Agriculture, Fisheries and Conservation in 2010. He has been Director of Agriculture, Fisheries and Conservation since July 2015, leading the Department to carry out its functions in the realm of agriculture, fisheries, animal management and welfare, nature conservation as well as country and marine parks.
